**RE: A NEW PANTRY IN GREENSBORO**

Greensboro, NC – 2020 -- W.D. Mohammed's Islamic Center (WDMIC) is introducing their new food program initiative, named the Halimah's Pantry. On May 21, 2020 at 9:30am-10:00am, **The Church of Jesus Christ of Latter-Day Saints**, will deliver approximately 10,000 pounds of food to the Center, to help show a strong support effort to help stock this brand-new initiative.

On April 27, 2020, the WDMIC reached out to The **Church's Humanitarian department**, requesting assistance in stocking the shelves of our new pantry to begin servicing our community during COVID-19 pandemic and in the months and years to come. During our application process, we reached out to Masjid Muhammed (The Nation's Mosque in Washington DC), who have an established relationship with the Church. They arrange food shipments for mosques and centers in Washington, DC, Philadelphia and Maryland. For 80 years the of Jesus Christ communities have been fasting one (1) day a month and donating the money they would have spent on food to the Church for international humanitarian efforts, including the production of food. Because of the Church's efforts and sacrifice we are becoming benefactors as they recognize WDMIC's partnership in feeding families in the Greensboro Community. We thank GOD for them! In addition, we would like to thank...

- **Craig Bell, Regional Manager, Welfare & Self Reliance Services-N.& S. Carolina**
- **Keith Hiatt, Stake President, The Church of Jesus Christ of Latter-Day Saints**
- **Deacon Mitchell of The Genesis Baptist Church, for their support.**
- **Western North Carolina Conference of The United Methodist Church**
- **Welfare Reform Liaison Project (WRLP) and the Barnabas House**

It is WDMIC's strongest desire to remain in contact and partnership with **the Church Jesus Christ of Latter-Day Saints** and all **Faith-based** communities and organizations in working together to help change lives and families.
